# **Family and Community Resource Guide**

**Updated October, 2016**

This updated version of the Resource Guide is a result of a collaborative effort of Community Action, Inc. (CAI) WIC, Head Start, Family & Community Connections, Family Day Care and the Haverhill Public Schools. The Guide has been published by partners of the Greater Haverhill Coordinated Family and Community Engagement grant. This grant is funded by the Massachusetts Department of Early Education and Care.

This Guide was originally developed by CAI Head Start staff and parents. It was sponsored by the Head Start Collaboration Project of Massachusetts, funded through the U.S. Administration for Children and Families and the Department of Health and Human Services.

The services and agencies listed in the directory have consistently provided services and crisis intervention for those needing assistance. In some sections we have listed companies or businesses in the area for easy reference for you and it is not an endorsement of those businesses.

This guide is also available online at [www.communityactioninc.org](http://www.communityactioninc.org)

## Local Housing Authorities

Housing Authority offices are responsible for taking applications and managing public housing units and rental subsidies. Contact individual Housing Authorities to have an application mailed or faxed to you.

Section 8 Applications may be submitted **once** to any participating Housing Authority to be placed on a centralized (state-wide) wait list. You do not need to contact each office. You can also download and print from the MassNAHRO website at [www.massnahro.org](http://www.massnahro.org). Submitted applications must contain an original signature so it must be mailed or delivered to a participating Housing Authority. The Section 8 waitlist is several years long.

Public Housing Applications must be submitted to each individual Housing Authority. Each town manages its own public housing, and waitlists vary from town to town.

**\*\*IMPORTANT\*\*** Once you are placed on a waitlist, you must notify each Housing Authority, in writing, of any change of address. **Waitlist verifications are sent out periodically from each Housing Authority and if no response is received, you will be removed from the waitlist.
